

Pipe Lifting Clamp

- **Teflon-Coated Surface:** Engineered with a premium Teflon coating, these hooks effortlessly glide across steel and concrete pipes, eliminating the risk of scratches and dents.
- **Heavy-Duty Construction:** Don't be misled by their lightweight design. These hooks boast robust, heavy-duty bodies capable of handling demanding loads.
- **Durable Paint Coating:** A protective paint coating safeguards the hooks from harsh environments, ensuring lasting performance.
- **Compact & High-Capacity:** Their space-saving design seamlessly integrates into tight workspaces while delivering an impressive lifting capacity for diverse pipe sizes.
- **Adjustable Lifting Capacity:** Choose between single or double pairs based on your specific pipe weight needs, optimizing lifting efficiency & safety.

Model	Capacity/ Pair (kg)	Opening Size (R=mm)	Dimension						Net Weight (kg)	Shackle (G2130)
			A	B	C	D	E	T		
LEPLC1.5	1500	40	122	30	195	70	39	Ø25	2.23	7/8"(6.5T)
LEPLC3	3000	40	122	30	195	70	39	Ø25	2.58	1"(8.5T)
LEPLC4	4000	50	122	30	215	70	39	Ø28	2.90	1"(8.5T)
LEPLC6	6000	50	122	30	215	70	39	Ø28	3.50	1-1/8"(9.5T)
LEPLC8	8000	70	126	30	240	70	39	Ø28	3.80	1-1/8"(9.5T)
LEPLC12	12000	70	160	30	260	90	45	Ø35	6.40	1-1/4"(12T)
LEPLC16	16000	70	168	30	272	90	50	Ø37	9.20	1-1/2"(17T)
LEPLC18	18000	70	183	30	292	90	50	Ø37	9.40	1-3/4"(25T)
LEPLC20	20000	70	220	30	333	90	50	Ø45	19	1-3/4"(25T)

Optional Shackle & Pin at Extra Cost.
